Da Vinci School
GPA: 8.0 / 10.0

SKILLS AND KNOWLEDGE

I have used **C**, **Java**, **Python**, **HTML**, **CSS**, and **JavaScript** for university assignments and personal projects.
I have basic to intermediate knowledge of **Microsoft Office** and **Adobe Photoshop**, and I learn quickly based on project needs.
I am open to **learning** new technologies to support and improve my work.

PROJECTS

Blackjack Game Simulation API (Java)
Personal project using Object-Oriented Programming principles to simulate the game of Blackjack.

Movie Rating Website
Web application built with HTML, CSS, JavaScript, SQLite, and Node.js to allow users to rate and review movies.

Additional project details available on my personal website.
